

Smart Raspberry

cookery school

Welcome to Our Cookery Club!

Our after school cookery club gives children the chance to explore the wonderful world of food in a fun, hands-on way. Each week, they'll make a new recipe from scratch while learning valuable cooking and life skills.

“My child had a wonderful time and came home excited to share what they learned. It was great to see them gain confidence in the kitchen!”

Children will learn to:

- Prepare a variety of sweet and savoury dishes
- Measure, weigh and follow recipes (using maths and reading skills in real life!)
- Understand the importance of hygiene and food safety
- Try new ingredients and flavours
- Build confidence and independence in the kitchen

What Happens in the Club

Each week, children make a brand-new recipe alternating between savoury and sweet. At the end of each session, they take home their creation to share with the family, along with a laminated recipe card so they can make it again at home.

All ingredients, cooking equipment, and packaging are provided you just need to book your child's place and we'll take care of the rest!

How It Works

- Courses run Thursdays during term time
- Each session is 1 hour (3.30PM-4.30PM)
- Suitable for children in Years 1–6
- Class sizes: 12–15 children per group
- Cost: £13 per session
- Book online through our [website link](#)
- Dishes can be eaten straight away or baked at home
- Sessions take place in Courthouse Junior school's hall, or classroom

Upcoming Recipes

Here's a taster of some of the exciting dishes your child could be making:

Fruity Oat & Seed Bar, Sweet Potato Curry, Chocolate Marble Cake, Bulghur Wheat Salad, Chelsea Buns, Sticky Ginger Cake, Focaccia, Shortbread, Sundried Tomato & Mozzarella Cannelloni, Lemon Cheesecake

Each recipe is designed to be fun, achievable, and educational, encouraging children to make healthier choices while developing a lifelong love of cooking.
