

July 2026

All Year Groups Cross Country club will be starting on Fridays from 8.00 – 8.40am between 18th September and 27th November 2026.

Your child will need to have suitable clothing and footwear for this outdoor session, but they do not have to be in their school P.E kits. However, due to running on the field, we suggest that they have a carrier bag to store their shoes in during the day. They should also bring a bottle of water for these sessions together with their school uniform in a bag.

The children will begin their sessions with a warm up before they are set a distance to run and this will be timed. The children will be working to improve their personal best. The session will finish with a cool down and then the children will need to change promptly into their school uniform.

If your child wishes to attend every week please return the **form below, or email it to the school office, by Friday 17th July 2026**. Places will be limited and you will be informed if your child has a place by email by September.

There is a small charge for all clubs that the school runs using its own staff. The charge will be £2.00 per pupil per session, £20.00 a term, as we aim to run 10 sessions per full term. You will be able to make the payment on your Bromcom MCAS app, it will appear in your outstanding payment box. This will need to be paid before the start date, 18th September and you will receive a message/email confirming when the payment is live which will be at the beginning of the new term.

Yours sincerely,

Mrs M Hull
