JDFD DANCE CLUBS @ Courthouse School

Dance Classes for Boys & girls

TUESDAYS AFTER SCHOOL 3.30 – 4.30pm

& (potential Weds or Fri am club 8.00 – 8.45am)

SEPTEMBER TERM 2026

For over 27 years, JDFD has been inspiring children through dance and fitness, helping them grow in confidence while developing valuable skills. Each session blends Street and Creative Dance styles, building coordination, rhythm and self-belief — all while having a brilliant time!

Our clubs for Years 3–6 (ages 7–11) are high-quality, engaging sessions where children learn real dance technique and develop strong movement skills. They also enjoy being creative with their friends, exploring how to choreograph their own dances and building imagination, teamwork and early performance skills in a supportive, fun environment. We also offer the chance to perform in a theatre every May, which is an incredible experience.

Due to the continued popularity of our Tuesday after-school club, and having run the whole school year with a waiting list, we are able to offer an overspill morning club. The available mornings for this are either Wednesdays or Fridays. If you feel a morning session would suit your child better, please do get in touch.
