Our Rules: be ready, respectful and safe

What behaviours do we want to be the norm?

ready

Come to school on time.

Look at and listen to the person talking.

Follow instructions the first time.

Start work straight away.

Wear the correct uniform.

Line up promptly.

Come to school with the correct equipment.

respectful

Greet adults politely when we arrive each morning.

Thank the adults that we work with at the end of the day when we leave.

Pick up after ourselves and others.

Do things for others because it feels good.

Work hard in lessons.

Notice when others have done something for me.

Hold doors open.

Win gracefully.

safe

Move calmly around the school and outside.

Use play equipment properly.

Kind hands and feet.

Tell an adult if something is wrong.

Play only in the places allowed.

Use technology responsibly.

Wash hands regularly.

Catch and bin coughs and sneezes.

Homework

OPAL

What is play?

Engage in activity for enjoyment.

A range of intrinsically motivated activities done for recreational pleasure and enjoyment.

Benefits of play:

- increased prosocial behaviour
- reduction of conflicts
- development of social and emotional skills
- better problem-solving skills
- improved self-regulation
- improved self-confidence
- reduced boredom, stress and injury

Risk management not risk removal

Key message: 'Play is great for children's well-being and development. When planning and providing play opportunities, the goal is not to eliminate risk, but to weigh up the risks and benefits. No child will learn about risk if they are wrapped in cotton wool'.
